## **MISSION STATEMENT**

The American Baptist Churches of Vermont and New Hampshire is a Christ-centered Regional ministry in a covenant relationship with The American Baptist Churches USA. Affirming the authority of the Word of God, being empowered by the Holy Spirit and recognizing our diversity, we seek to equip individuals and congregations to become instruments through whom the Spirit can move, transforming the Church into the image of Jesus Christ, that we might better fulfill the Great Commission to make disciples of all Nations.

The ABC/VNH statistics are provided for professional networking among ABC/VNH churches and among professional church leaders. Listings do not imply ABC/VNH endorsement of every practice or policy of every church or leader listed. Any use of this data for political or commercial purposes is not permitted.

While every attempt is made at complete accuracy, occasional errors may occur. Please assist us in keeping the information as up-to-date as possible.
