

*“Look, I tell you, lift up your eyes, and see that the fields are white for harvest.” – John 4:35b*

## ***The Gospel Opportunity in Northern New England***

***The Mission to North America Committee of Northern New England Presbytery***

### **Where we are:**

Northern New England (Maine, New Hampshire, and Vermont) is home to more than three million people, less than 3% of whom are evangelical Christians. There are seven PCA churches and 3 mission works serving this population, with an average weekly attendance around 50.

### **Where we are going:**

As God’s Spirit leads, we hope to expand our Gospel ministry in New England by:

1. Recruiting ministerial candidates for internships and mentoring opportunities leading to full-time ministry in the region;
2. Beginning three new church plants in the next five years;
3. Recruiting ministers to serve in open pulpits in non-PCA churches;
4. Establishing a significant presence on the major college campuses of our region;
5. Enabling our established churches to buy or build buildings able to meet the ministry opportunities in their area.

### **How you can help:**

We need fellow-laborers who will partner with us in:

- Praying for the expansion of the kingdom in this region.  
Please join our prayer team by contacting: [matthewtparks@gmail.com](mailto:matthewtparks@gmail.com).  
For the latest prayer updates, visit: [nnepmna.blogspot.com](http://nnepmna.blogspot.com).
- Identifying others with a burden for northern New England.  
Know someone we should know? Please contact: [marshall@portsmouthtea.com](mailto:marshall@portsmouthtea.com).
- Bringing a Missions Team  
Gather a team from your congregation to come and minister first-hand.
- Partnering with a Church Plant  
Use the gifts God has given your congregation to serve the birth of another.
- Sponsoring an Intern  
Help come alongside the next generation of church-planters and pastors.
- Giving generously to our Presbytery Growth Fund.  
Support one or all of the projects above with your tax-deductible gift.
